

CFA Relationship Rewards[®] Program

Thank You for Your Business

Earn Free Autodesk Software as our Gift to You

**Kick back.
relax.**

enjoy

the rewards

How the Program Works

From the moment you enroll in the **Relationship**

Rewards Program, you can turn the dollars you

spend on our consultants into **Relationship**

Points[®] redeemable for Autodesk Software. CFA

wants to reward its loyal customers.

As an enrollee in the Relationship Rewards program, you're eligible to choose from a variety of Autodesk CAD & multimedia software products.

****Join before July 1, 2003 and receive 500 bonus points or \$500 discount at The CFA/CADD Training Center™**

Please take a few moments to read about the program.

How Do I Earn The Points I Need?

- Use CFA's placement service and agree to purchase your Autodesk products from CFA to earn **Relationship Points[®]**.

How Do I Earn Free Autodesk Software?

- You get the *free software* when you redeem your **Relationship Points[®]**.

How Does It Work?

- Your points grow every hour you work with a CFA referred consultant and the program is free.

Where Do I Sign!

- Sign below and submit a copy to your CFA representative for processing. Kick back, relax and start earning **Relationship Points®** today!

Answers to Common Questions

Many members have similar concerns and questions. Check out the most commonly asked questions below and see if the answer you're looking for is there!

1. [Who can participate in the Relationship Points® program?](#)
2. [What does it cost to be a member?](#)
3. [How many points are accrued for each hour I contract a CFA consultant?](#)
4. [If I give CFA an exclusive for Autodesk software, how can I guarantee a competitive price?](#)
5. [Can I have access to your Autodesk price list?](#)
6. [Do I have to use CFA's placement service on an exclusive basis too?](#)
7. [If I use CFA's services will your job placement department headhunt my staff?](#)
8. [What if we purchase our Autodesk Software from another reseller?](#)
9. [What if we already have a relationship with another Autodesk Reseller for training and support?](#)
10. [How do I accumulate reward points?](#)
11. [Do my reward points ever expire?](#)
12. [What's the minimum number of points I need before I can redeem them?](#)
13. [Why were points forfeited from my Relationship Points® account?](#)
14. [How do I reinstate reward points?](#)
15. [If I return my purchases, will Relationship Points® also be refunded?](#)

1. **Who can participate in the Relationship Points® program?**
The program is open to anyone that uses CFA's consultant referral services.
2. **What does it cost to be a member?**
Nothing. Joining the Relationship Points® program is free. All you have to do is purchase your Autodesk products exclusively from CFA – and of course, actively use CFA's placement services!
3. **How many points are accrued for each hour I contract a CFA consultant?**
1 hour = 1 point

4. If I give CFA an exclusive for Autodesk software, how can I guarantee a competitive price?

CFA is known for value and we back it with this guarantee. Any time during your membership you are invited to seek comparative bids from qualified Autodesk resellers. We suggest that you provide at least two. If CFA is not already the lowest bidder, we will match the lowest legitimate bid in our selling territory.

5. Can I have advanced access to your price list?

Yes. As a CFA client you have unfettered access to the Autodesk products we resell, including pricing. You can find this information on our eStore at www.CADstoreOnLine.com

6. Do I have to use CFA's placement service on an exclusive basis too?

No. You need simply to purchase your Autodesk products from us.

7. If I use your services will your job placement dept. "headhunt" our staff?

No, never. We feel we have a moral and ethical obligation not to hire staff away from our customers, and we guarantee not to. This has been CFA's policy since 1984.

8. What if we have been purchasing our Autodesk Software from another reseller?

No problem. Autodesk does not discriminate regarding resellers, and Autodesk customers are invited to purchase their software from any authorized reseller in your area. This would mean that your future Autodesk purchases would be made exclusively through CFA, on a company-wide basis.

9. What if we already have a relationship with another Autodesk Reseller for training and support?

Again. No problem. If you are satisfied with your current training and support relationship with another reseller there is no reason to make a change. Our membership program deals exclusively with software. On the other hand, you may just want to try out our award-winning Premier Autodesk Training and Support services.

10. How do I accumulate reward points?

When you contract with a consultant referred by CFA, the number of hours he/she spends on your project earns you the same number of *Relationship Points*[®] Therefore, the more consultants you hire, the more points you earn.

11. Do my reward points ever expire?

No. Points have no expiration date, so you can save up for more expensive rewards without any worries. However, you cannot redeem your points if you don't purchase your Autodesk products exclusively from CFA during your membership.

12. What's the minimum number of points I need before I can redeem them?

You can redeem points as soon as you have enough for the reward you want, or you can let them continue to accrue.

13. Why were points forfeited from my *Relationship Points*[®] account?

As a CFA client you are expected to pay your bills in full within one week upon receipt. If you are delayed paying your bill by 30 days or more, points that equal the outstanding amount due to CFA will automatically be deducted from your *Relationship Points*[®] account. Once all balances due are satisfied, points that have been forfeited can be reinstated.

14. How do I reinstate reward points?

Once all balances due are satisfied, you can reinstate your forfeited points by paying your next invoice on time and in full, at which point they will immediately return to your account and be available for use.

15. If I return my purchases, will my *Relationship Points*[®] be refunded?

If you return an item for which you used points to purchase, you will receive a Relationship Points credit. This credit can be applied to your next *Relationship Points*[®] purchase. However, shipping fees cannot be reimbursed.

ACKNOWLEDGMENT

IN WITNESS HEREOF, the undersigned agrees to abide by the terms and conditions set forth on these above and below.
